DR. P. A. INAMDAR UNIVERSITY

Pune | Maharashtra | India

B R O C H U R E

REGARDING

DR. P. A. INAMDAR UNIVERSITY

Dr. P. A. Inamdar University, Pune is a private self-financed university located at Azam Campus, Pune, Maharashtra, India. The University has been established under Act 2022 (Mah. Act No XXXVII of 2022 dated 13 th May 2022) under the aegis of Maharashtra Cosmopolitan Education Society (M.C.E. Society) Pune and has commenced its operations in September 2022. Dr. P. A. Inamdar University, Pune began its functioning with five Constituent colleges i.e., HGM Azam College of Education, Allana College of Pharmacy, Allana Institute of Management Sciences, Allana College of Architecture, Allana Institute of Information Technology. All the five Constituent Colleges of Dr. P. A. Inamdar University, Pune are very well known and widely acclaimed in the field of Education, Pharmacy, Management, Architecture, and Information Technology. The Constituent colleges are duly accredited by NBA/NAAC and have been affiliated to Savitribai Phule Pune University (SPPU), Pune All our Teaching Faculty are appointed on merit and are highly qualified and experienced. Value added courses and skill enhancement trainings are provided to students in order to build their overall personality.

OUR VISION

To have a transformative impact on society by promoting student-centred development, continuous innovation and creativity in education, and entrepreneurship and institutional social responsibility.

OUR MISSION

- To cater to the educational need of the students of all communities in general and Muslim Minorities in particular.*
- To provide value-based education thereby creating human assets that will contribute to nation building*
- To foster scientific attitude and innovative culture in its institutions.*
- To include and expand newer academics streams in its institutions and provide world class infrastructure for learning, research and application of knowledge*
- To inculcate and enrich values of integrity, hard work and humanity among staff and students.*

WHY CHOOSE DR. PAIU?

Reputation : Dr. P.A. Inamdar University has a strong reputation for academic excellence and industry relevance, ensuring students receive a quality education that is respected by employers.

Experienced Faculty : The university has a team of experienced faculty who are experts in their fields and provide guidance to students, to achieve academic and professional success.

Industry connections : The university maintains strong connections with a variety of industries, providing students with opportunities for internships, job opportunities, and networking events that are essential for gaining work experience and finding employment after graduation.

Holistic Training : Dr. P. A. Inamdar University focuses on a holistic education that goes beyond the classroom and develops the critical thinking, communication, and leadership skills essential to succeed in today's competitive job market.

State-of-the-art facilities : The university features state-of-the-art facilities including modern classrooms, laboratories, libraries, and recreational facilities that create an environment that fosters learning, research, and personal growth.

Innovative Curriculum : The University offers innovative, industry-leading BBA, BCA, MBA and MCA degree programs designed to meet the changing needs of the global market and prepare students for future challenges and opportunities. We provide related curriculum.

Diverse Student Community : Dr. P. A. Inamdar University is proud of its diverse student community, which brings together people from different backgrounds, cultures, and perspectives to enrich the learning experience and foster cross-cultural understanding and collaboration.

Focus on research and innovation : The university fosters research and innovation among students and faculty and supports projects and initiatives that contribute to knowledge creation, technological advancement, and social development.

- Object Oriented Programming using C++
- Advanced Database Management System (ADBMS)
- Java Programing
- Advanced Web Technology using PHP (MVC framework)
- Python Programing
- Data Science using Python
- Mobile Application Development
- Software Testing
- ASP.Net using C#
- Machine Learning
- Cyber Security and Ethical Hacking
- Artificial Intelligence - Deep Learning

Professional Technical Courses :

- Computing
- Machine Learning
- Networking
- Database Management
- Blockchain
- C++
- Software Testing
- Cybersecurity
- Data Science
- Software Development
- Java
- Operating System
- Computers and Information
- App Development
- Web Designing
- DevOps
- Analytics
- Python
- Programming
- JavaScript
- Cloud Systems Administration

* University has right to make the changes in programme structure / subject basket / assessment / evaluation

MASTER OF BUSINESS ADMINISTRATION (MBA)

Programme Highlights

CURRENT STUDENTS TESTIMONIALS

My decision to pursue my BCA at Dr. P. A. Inamdar University has turned out to be a great one. The facilities on campus are excellent, the lecturers provide excellent support, and there are countless opportunities for improvement. I am delighted that my time here has beyond my expectations.

Rabiya S. Memon
BCA, 1st Year, SOCMACS

This has been an amazing first year at Dr. P. A. Inamdar University. Learning has become more interesting and fun thanks to the professors' participatory teaching strategies. The campus is alive with activity, creating a dynamic environment where students can work together and grow. Being a part of such a prestigious organization makes me proud.

Aryan L. Pullattukuzhiyil
BBA, 1st Year, SOCMACS

The MCA program at Allana Institute of Computer Application & Information Technology has been an enriching journey of learning and personal development. Its well-structured curriculum provides a strong foundation in computer science fundamentals while allowing for specialization in areas such as software development, data analytics, etc. Moreover, beyond academics, the university fosters a vibrant student community where I have formed lasting connections with like-minded individuals.

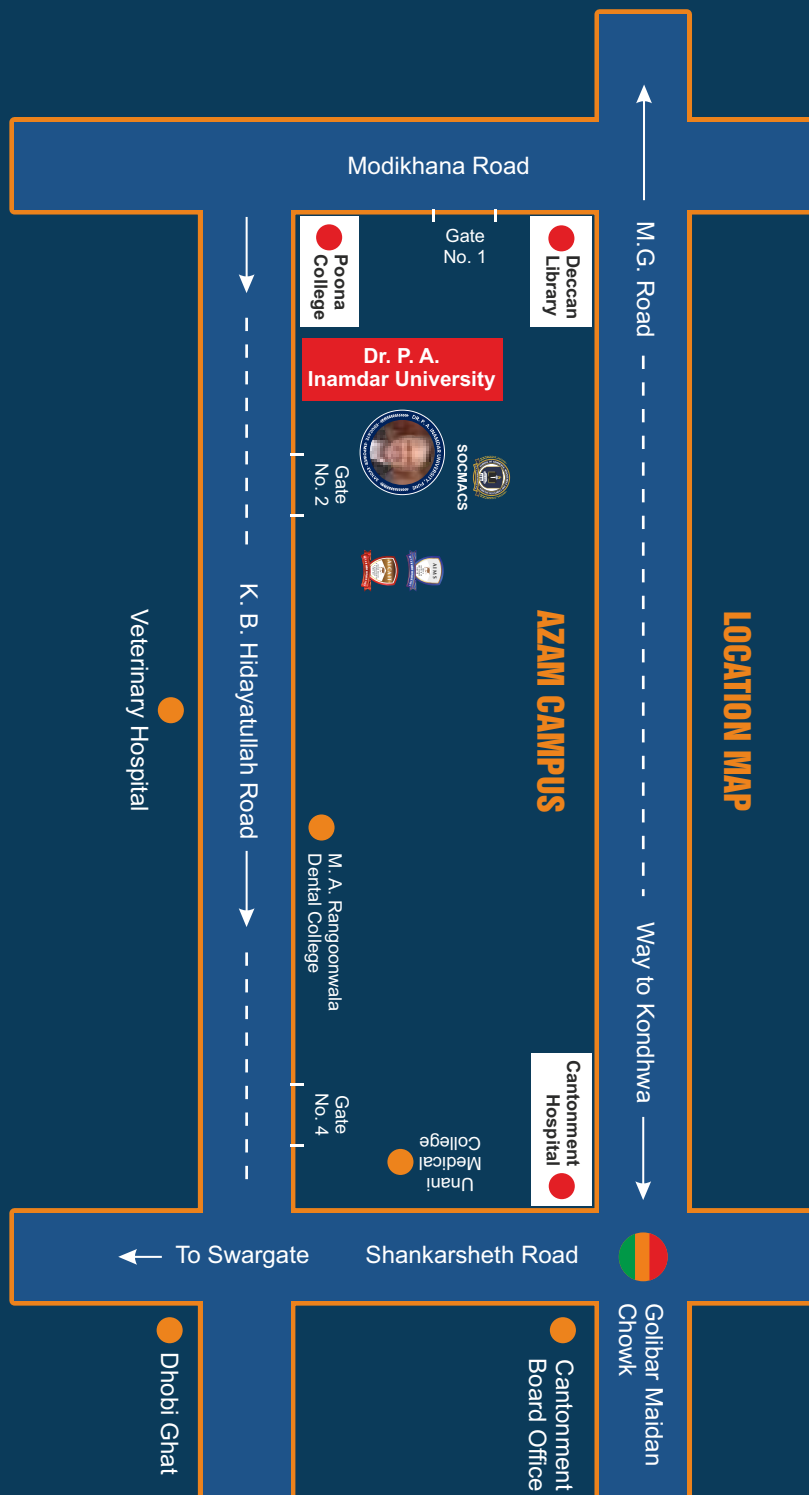

Pratiksha A. Magar
MCA, 2nd Year, AIMS

The MBA program ignited my passion for business! It's more than just textbooks. The dynamic learning environment, with opportunities to interact with industry leaders and tackle real-world projects, deepened my understanding of business principles. The supportive faculty and career development instilled confidence, empowering me to pursue my career aspirations. I'm incredibly grateful for the holistic learning experience at this esteemed institution.
